New Year 2 Humanities Task

Our topic for September is People Who Help Us.
I would like you to write a list of the people who help you or may help you in the future.

Now that you've written your list, I would like you to choose 5 of the people from your list and write a sentence about **how** each one helps you. Remember your capital letters, full stops and to use words like 'by' or 'when' to help you explain **how**.
