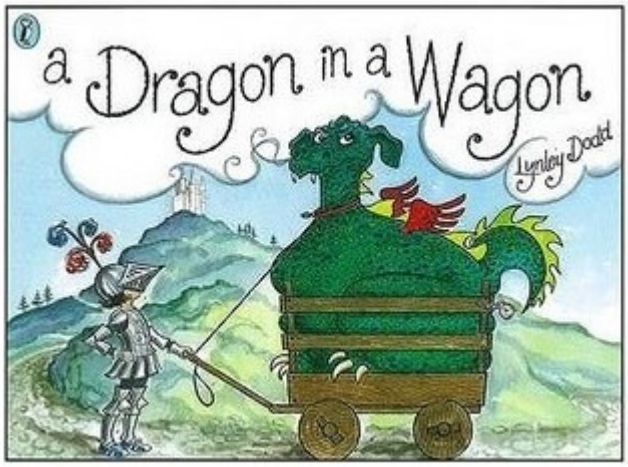
Stories with Rhymes 1

This week we are going to look at the story *A Dragon in a Wagon* by Lynley Dodd.

If you don't have a copy, there is a link to a Read Aloud version on YouTube on Class 3's Home Learning page.



Read the book, or watch the YouTube version. Complete the table below to list all the animals that the little girl imagines Sam could be, together with their rhyming phrases.

Fancy a further challenge? Some of the animals mentioned are unusual! Look them up online and write a short description to remind yourself of what they are. For those that are well-known animals, find a fascinating fact about each one.

If you don't have a printer, just draw this table into your Home Learning book.

Animal	Rhyming Phrase	Extension: more info about this animal
