EYFS Aspect of learning

- Numbers

Busy Ant Maths F Topic

- Solving problems

Early learning goal

- Solves problems involving doubling and halving

Activity 2: Double it or or

Objective

- Find double of a number from 1 to 6

Resources

paints (per child); paper (per child); 1–6 dice (per child)

What to do

- Provide each child with a piece of paper and printing materials.
- Children roll the dice and print/paint this number of spots onto one side of the piece of paper.
- Support them in folding the piece of paper in half to print the spots onto the other side of the paper.
- They then count the total number of spots to find double. Talk to children about what they have found out.
