

# The Beauty of Spring - Task 5 Spring Word Chains

**Preparation:** You just need your Home Learning Book and a pencil!

**Task:**

Can you make a chain by thinking of new words, changing just one letter at a time? Keep going until you can't think of another word.

You can write on this sheet if you can print it, or just write the lists in your Home Learning Book.

<i>Example</i>				
<b><i>lamb</i></b>	<b><i>bud</i></b>	<b><i>lush</i></b>	<b><i>warm</i></b>	<b><i>nest</i></b>
<i>lamp</i>				
<i>ramp</i>				
<i>camp</i>				
<i>came</i>				
<i>cane</i>				
<i>lane</i>				
<i>line</i>				

Now can you think of your own spring-related words to start your own word chains? Tip: short words are best!
