Medicines

WE NEED YOUR WRITTEN PERMISSION FOR CHILDREN TO TAKE ANY MEDICATION.

If you think your child may require travel sickness pills please ensure that the required dosage has been given before the outward journey and that your child understands how to take them before the return journey. Please send any prescribed medicines in a labelled container giving the name of the child and full instructions. These containers should be handed to Mrs Kinrade for safe keeping.

Meals

Please bring a packed lunch for the first day. All other meals will be provided.

Insurance

The school has taken out cover through the Local Authority. This covers personal accident and personal liability.

Spending Money

Pocket money is left to parental discretion but we would suggest that only a small and reasonable amount be allowed (£10.00 at most should be adequate). We cannot accept responsibility for personal money lost.

Cameras

Children may take a camera. This should be labelled and will be gathered in each evening. However we will be taking pictures. Please do not bring camera phones.

Arrival/Departure

We will leave school at 8.00am on 11th June.

We will return to school at 4.00pm on 14th June.

Keeping in touch with home

We do not allow mobile phones nor allow children to call home.

However, it is helpful for parents and children to keep in touch with you and we will be doing this through:

Texting

We will text parents periodically with updates about our visit.

School Website

We will be updating a page on the school website to enable children to keep in touch with home and share their experiences.
