

Name: _____ Date: _____

Flag facts

Find patterns in addition and subtraction calculations

You will need:

- scissors
- glue

Teacher's notes

Children cut out the number facts at the bottom of the sheet and sort them into addition and subtraction sets for 10 and 11. They glue each set of facts on the appropriate flag, in order.

$10 - 1 = 9$	$9 + 1 = 10$	$11 - 2 = 9$	$9 + 2 = 11$
$11 - 1 = 10$	$10 - 2 = 8$	$8 + 3 = 11$	$8 + 2 = 10$
$7 + 3 = 10$	$10 + 1 = 11$	$10 - 3 = 7$	$11 - 3 = 8$
