

Name: _____ Date: _____

Adding money on a number line

Calculate money in pounds and pence

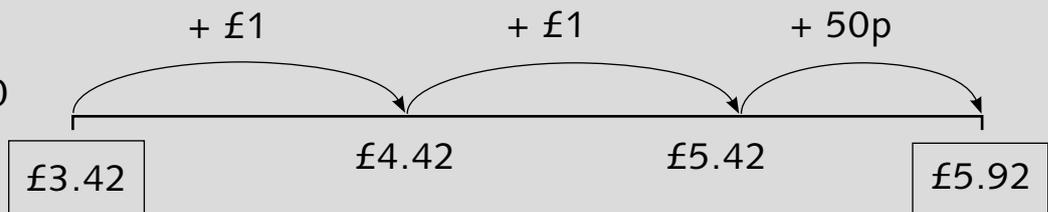

Use number lines to add these amounts of money.

- First add the pounds
- Then add the pence

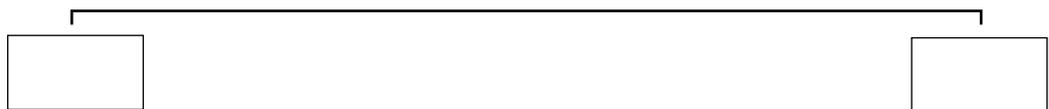

Example

$£3.42 + £2.50$

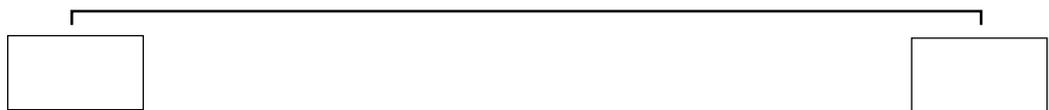

1 $£2.35 + £2.40$

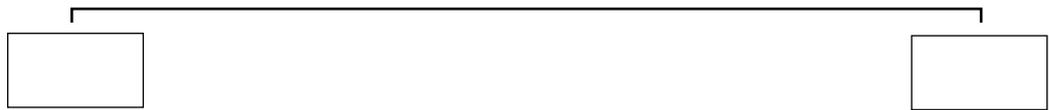

2 $£3.17 + £3.20$

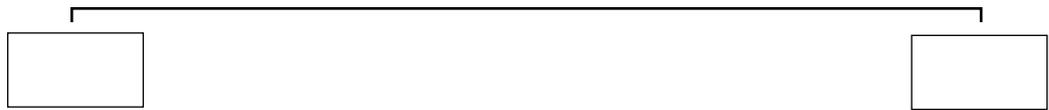

3 $£5.26 + £4.60$

4 $£5.85 + £3.50$

5 $£6.70 + £6.50$

6 $£8.95 + £7.80$
