Name: _____ Date: _____

Addition and subtraction

For each calculation:

- Estimate the answer.
- Calculate the answer using a written method.
- Check your answer.

Award 1 mark for evidence of working out an estimate.
Award 2 marks for the correct answer.
If the answer is incorrect, award 1 mark for evidence of using an appropriate method of calculation.
Award 1 mark for evidence of checking the answer using an appropriate method, e.g. using the inverse operation.

1 46 387 + 35 648
