

## **Trinity CE Primary School Equality Plan & Objectives 2021/22**

Our school, as part of the Christian community, will value and nurture each individual.

We aim to ensure children reach their full potential - building resilience and gaining the knowledge and experience to become compassionate and respectful global citizens. Children will be encouraged to lead a healthy lifestyle, become confident in their abilities and talents and be given opportunities to be inquisitive through an ambitious curriculum.

In accordance with this, the Trinity CE Primary School Ethos we pledge:

- to respect the equal human rights of all our pupils;
- to educate them about equality; and
- to respect the equal rights of our staff and other members of the school community.

Our Values

We have 7 core values here at Trinity that are embedded throughout our school everyday in all aspects of school life.

Our children will be...

1. Respectful
2. Resilient
3. Inquisitive
4. Ambitious
5. Healthy

6. Compassionate

7. Global Citizens

We will assess our current school practices (“Equality Impact Assessment”) and implement all necessary resulting actions in relation to:

- ethnicity,
- religion or belief,
- socio-economic background,
- gender and gender identity,
- disability,
- sexual orientation, and
- age.

We will promote community cohesion at school, local, national and global levels, comparing our school community to its local and national context and implementing all necessary actions in relation to religion or belief, ethnicity, social/economic background.

## **2. Statutory requirements**

The equality objectives in Section 10 below address our duties under current equality legislation, up to and including the Equality Act 2010. They also relate to the Shropshire Council procedure for recording incidents involving pupils in schools.

The accessibility plan and audit addresses our duty under the Special Educational Needs and Disability Act (SENDA) 2001.

The community cohesion plan below addresses our duty under the Education and Inspections Act 2006. The following statement outlines both the data and current issues relating to ethnicity, religion/belief and socio-economic factors. In examining the school's context, it relates closely to the beginning of our SEF. It demonstrates the awareness of the governors and their community partners of how the school community compares with the wider community, both locally and nationally. It therefore forms Trinity CE Primary School's Single Equality Scheme 2015-18.
