# Background

What do we use bags for?

---

---

---

Have a look at the bags on the next two pages.

Ask yourself:

- For what is this bag probably used?
- Why is it good at that job?

Add some notes for each bag.

# Background

What other types of bags can you think of?  
Draw a picture of them, or find a photo, and make notes as you did on the previous two pages.
