EYFS Aspect of learning

- Shape, space and measures

Busy Ant Maths F Topic

- Measures

Early learning goal

- Uses everyday language to talk about capacity to compare quantities and objects to solve problems

Activity 2: Fish bowls or or or

Objective

- Know and use the vocabulary 'empty', 'full' and 'half full'

Resources

three plastic containers (per pair/child); modelling clay (per pair/child); water (per pair/child)

What to do

- Provide the children with three containers and ask them to make three 'fish bowls', one empty, one full and one half full of water.
- Ask them to make a fish from modelling clay. Which 'bowl' do they think the fish will prefer?
