

## Task 4 How many words?

Preparation: You just need your Home Learning Book and a pencil!

Task: How many words can you find using the letters in the phrase:

# EASTER EGGS

List them in your Home Learning Book! Examples to start you off:

*eat, star, tag*

Words must be at least 3 letters long.

Award yourself the following points:

3 or 4 letters: 1 point

5 or 6 letters: 2 points

7 or more letters: 5 points.

You could play against a brother or sister or an adult!

Extend the game by changing the phrase to something else related to Easter!

TIP: You may find it easier to use small pieces of paper and write one letter of EASTER EGGS on each, so that you can re-arrange them to find words.
