

Dear Auntie Sue,

I'm writing to thank you very much for the brilliant Lego set you kindly gave me for my birthday.

I couldn't believe it when I opened it and saw that it was exactly the one I wanted! The best thing about it is the way the helicopter blades spin round. I'm sure I'll have lots of fun playing with it. In my opinion, Lego is the best invention ever!

My mum said, "Thank goodness!" when she saw me open it because she knows she'll now get some peace and quiet! Previously, I was only able to use my brother's Lego whereas now I have a set that I can proudly call my own.

Would you like to come round and see my helicopter when I've finished building it? I'm certain that you'll be impressed.

Thanks again, you've been so kind.

from Jim.
