

Shelters

Learning Objective:

To investigate a range of shelters.

**How many
different types of
shelters can you think
of?**

Discuss your ideas with a partner.

What ideas did you come up with?

Types of shelters:

**What kind of shelter
is this?**

**What materials is it
made from?**

**What do the different
parts do?**

**What are the
different parts
called?**

What kind of shelter is this?

What materials is it made from?

What do the different parts do?

What are the different parts called?
