

TRINITY C of E PRIMARY

KEY STAGE 1 MUSIC OVERVIEW - SPRING 2024

MAIN FOCUS: ON THE MOVE! (VEHICLES)

This half term the children will be exploring a variety of musical extracts relating to transport. Sometimes the musical extracts will concentrate on the speed and rhythm of a particular vehicle and at other times the focus will be on special sound effects where the children will be given the opportunity to explore the whole 'soundscape' of a busy street and compose their own music. It also provides opportunities for the children to improve their fine motor control by playing a variety of simple percussion instruments.

WK 1 -Develop understanding of tempo

Build on existing imagination skills!

WK 2 -Can play a train rhythm accompaniment with gradations of speed

Develop vocal skills - singing in tune with expression!

WK3 -Identify and match musical extracts to vehicles

Can talk about the music they hear with confidence

WK4 - Develop composition skills

Develop fine motor skills

WK5 -Co-ordinate a sequence of actions to a piece of descriptive music

WK 6 - Assessment of half term!
