KS1 Topic: Oceans and Seas Block G: Galapagos Islands & Charles Darwin Session 1

Research Prompts

Use the internet to search for your own information to create a fact-file on the amazing Galapagos Islands!

Find out:

- Where are the Galapagos Islands?
- How were the Galapagos Islands formed?
- What is the weather like there?
- What plants grow there?
- Are there any animals living on the Galapagos Islands? If so, what animals?

Challenge:

Find out two more interesting facts of your own!
