

WALT: Use adjectives to describe a character.

[] I have used interesting adjectives to describe a character.

[] I have used adjectives before a noun to create a noun phrase e.g. torn trousers or wooden legs.

The illustration shows a scarecrow with a dark top hat, a red and white plaid shirt, and blue overalls. The overalls have a red patch on the right knee. The scarecrow is standing in a field of yellow grass. The artist's signature 'Alex J. Puffles' is written at the bottom of the illustration.

There are five empty rectangular boxes with horizontal lines, connected to the illustration by lines. The boxes are positioned as follows:

- Top right: A box with three horizontal lines, connected to the top of the scarecrow's hat.
- Middle left: A box with three horizontal lines, connected to the scarecrow's face.
- Middle right: A box with three horizontal lines, connected to the scarecrow's overalls.
- Bottom left: A box with three horizontal lines, connected to the scarecrow's legs.
- Bottom right: A box with three horizontal lines, connected to the scarecrow's legs.
