

WALT: know how to make connections between God's intentions between the story of 'Noah and the Flood' and the world we live in today.

Activity 1

In the story 'Noah and the Flood', God was trying to do away with evil in the world and make it a better place.

Make a list in the table below, of the things like we could do without today in today's world, in order to make it a better place. Aim for at least 12-20 ideas – if you can think of more – great! These can vary from natural disasters to crime, diseases etc. This is a very topical discussion when we reflect on what is going on around us at this present time.
