

Fruit stall sales

Solve problems about money

$$\boxed{2p} + \boxed{3p} = \boxed{\quad} p$$

$$\boxed{\quad} + \boxed{\quad} = \boxed{\quad}$$

$$\boxed{\quad} + \boxed{\quad} = \boxed{\quad}$$

$$\boxed{\quad} + \boxed{\quad} = \boxed{\quad}$$

$$\boxed{\quad} + \boxed{\quad} = \boxed{\quad}$$

$$\boxed{\quad} + \boxed{\quad} = \boxed{\quad}$$

Teacher's notes

For each row, children complete the addition calculation to find the total cost of the two fruits shown.
