

Pirate treasure patterns

Find patterns in addition and subtraction facts

$9 + \square = 9$
 $8 + \square = 9$
 $\square + 2 = 9$
 $6 + \square = 9$
 $\square + 4 = 9$
 $4 + \square = 9$

$9 - \square = 9$
 $9 - \square = 8$
 $\square - 2 = 7$
 $9 - 3 = \square$
 $9 - \square = 5$
 $9 - 5 = \square$

$10 + \square = 10$
 $9 + 1 = \square$
 $8 + \square = 10$
 $\square + 3 = 10$
 $6 + \square = 10$
 $5 + \square = 10$

$10 - \square = 10$
 $10 - \square = 9$
 $\square - 2 = 8$
 $10 - \square = 7$
 $10 - \square = 6$
 $10 - 5 = \square$

Teacher's notes

Children work out the missing number in each calculation, using the pattern of addition or subtraction to help.
