

House numbers

Read and write numbers to 100 in figures and words

			
fifteen	sixty-one	forty-eight	twenty-nine
			
thirty-five	eighty-three	eleven	fifty-two
			
ninety-six	twelve	seventy-seven	one hundred

Teacher's notes

Children look at the number written in words underneath each door and write the same number onto the door using numerals.

Tiger track numbers

Order numbers up to 100 and use the $<$ and $>$ signs

17 29

35 28

49 85

99 81

64

81

78

90

Teacher's notes

At the top of the page, children write either the less than ($<$) or more than ($>$) sign on the tiger to make each statement correct. At the bottom of the page, children write a number on the pawprint to make each statement correct.
