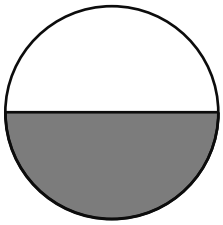
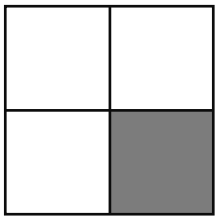
Name: _____ Date: _____

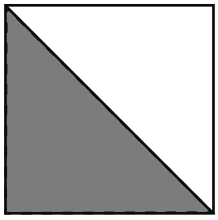
Finding fractions

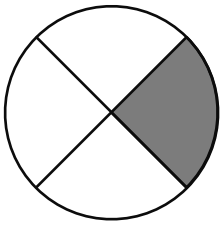
Find one half and one quarter of a shape

You will need:
- scissors
- glue
- coloured pencils

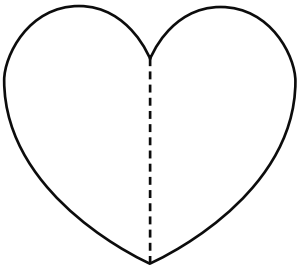


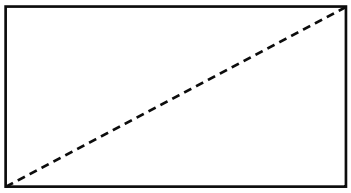


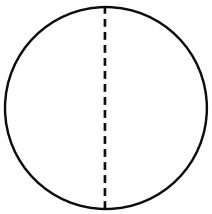


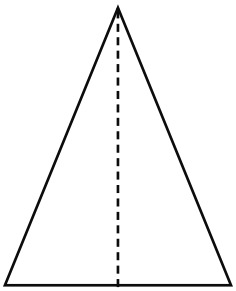


Colour one half of each shape.

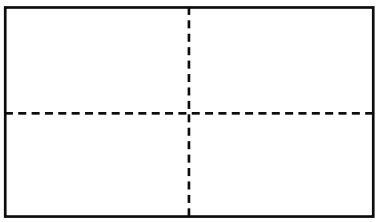


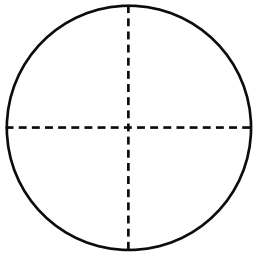


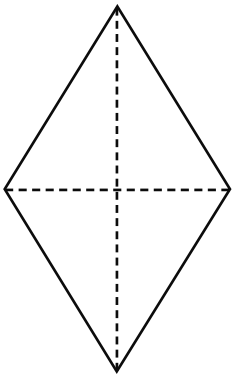




Colour one quarter of each shape.







Teacher's notes

At the top of the page, children cut out the labels from the bottom of the sheet and match them to the shapes according to the fraction that is shaded. At the bottom of the page, they then divide and colour one half or one quarter of each shape.

$\frac{1}{2}$	one half	one quarter	$\frac{1}{4}$
