

Story Writing

This week for English you are going to write your own story. Choose another 'rainbow' animal such as a rainbow bird or rainbow butterfly. What might happen to them? What do they share? (feather)

Task 1

WALT: Plan a story

Today you need to plan your story using pictures. Think about the setting (where the story takes place) and the main characters. Remember you need to have a problem (something goes wrong in the story) and then a solution (how does it get solved). You can use the storyboard below or draw a storyboard out on a piece of paper.

Or

Make a story book using sheets of A4 paper. It's up to you! Remember you can add some notes to your story plan. This will help you when you come to writing your story.
