# Position words

Understand position words

## You will need:

- cardboard box
- small toy
- piece of paper
- cube
- ball
- book
- camera or coloured pencils

## Teacher's notes

One at a time, read the following instructions to the children. The children should place each object in the described position.

- Put the cardboard box **on top of** the table.
- Put the toy **in front of** the cardboard box.
- Put the ball **inside** the cardboard box.
- Put the piece of paper **outside** the cardboard box on top of the table.
- Put the cube **underneath** the piece of paper.
- Put the book **behind** the cardboard box.

Once completed, children either draw the arrangement of the objects or, with adult support, take a photograph and glue it onto this sheet.
