

# Explore and play

## EYFS Aspect of learning

- Shape, space and measures

## Busy Ant Maths F Topic

- Measures

## 40-60+ months Early years outcome

- Orders and sequences familiar events

### Activity 2: Special times of the day or

#### Objective

- Recall special times of the day and put them in order

#### Resources

four pieces of square paper (per child); coloured pencils (per child); range of stickers and pictures of familiar objects, e.g. cars, dinner, football (per child); glue (per child)

- Ask children to think about different things that they like doing every day, such as having breakfast, playing with friends at break time, reading a story at bedtime.
- Ask children to make a picture of each event on their piece of paper, using the coloured pencils, stickers and pictures.
- Then ask children to put these events in the order that they happen.
