EYFS Aspect of learning

- Numbers

Busy Ant Maths F Topic

- Solving problems

Early learning goal

- Solves problems involving sharing

Activity 3: Sorting sets or

Objective

- Share a small number of objects equally

Resources

Resource 67: multiples of 2 number cards from 0 to 10 (per pair/child); small counting objects (per pair/child); 10 small sorting hoops (per pair/child)

What to do

- Working on their own or in pairs, the children place the number cards face down in random order and arrange the hoops in pairs.
- They choose one card and count out this number of counting objects from the collection.
- They position the number card between two hoops and share the set of objects equally between them.
- They repeat this activity until they have shared five sets of objects into the five pairs of hoops.
