

Times tables speed grid

Use this grid to practise times tables. Write in any one-digit number in the blue boxes, as shown here. The 'x' means you multiply those numbers, and work along each column and row, filling in the answers as you go.

x	3	7	4	1	9	2	6	8	5
9	27				81				
2	6				18				
5	15				54				
8	24				72				
1	3	7	4	1	9	2	6	8	5
7	21				63				
3	9				27				
6	18				54				
4	12				36				

How quickly can you finish a speed grid?
Try to beat your record!
