## Performance Tables—Leading the Way!

Just in case you missed it last week, it is a pleasure to share/re-share with you the Shropshire Star article, congratulating Trinity as the **top-performing school in the county** in relation to end of KS2 attainment and progress. We are also in the **top 1% nationally**, which is a fantastic achievement. Well done to all the staff at Trinity for their continued hard work and thank you to all parents/carers for your continued support. It is greatly appreciated and nice to have recognition for our continued efforts to 'be the best we can be'.

## Theologically-rooted Scripture

As part of our church-school links, with Rev. David Moss now supporting the school, we have selected a theologically-rooted scripture to embrace our current motto (Be the best you can be) and vision. The scripture that has been selected is **'Whatever you do, work at it with all your heart' Colossians 3:23**.

This has been shared with pupils this week in assembly and we will continue to refer to this to embrace our motto, vision and Christian ethos, as a Church of England school.

## Friends of Trinity— Spring Term Events

Friends of Trinity will be running two events this term.

Further information will be provided in due course but please save the dates/times in your diary for the time being.

**Film Night: Wednesday 7th February—5.00pm-6.30pm**

**Easter Raffle/Fair: Friday 22nd March—3.15pm-4.30pm**

## Y3/4 Dodgeball

Well done to our Y3/4 dodgeball team who competed in the Shrewsbury School Games Dodgeball Tournament at Meole Brace Secondary School on Thursday.

It was a fiercely competitive tournament and our Trinity team played brilliantly and fairly, reaching the semi-finals where they narrowly missed out on the final to St Georges, finishing in 3rd place overall (out of 12 teams).

Well done Trinity—behaviour was exceptional too!

## Music Heroes

Music Heroes, who provide individual music lessons at Trinity, have spaces available for Guitar and Drums.

If you would like your child to start Guitar or Drum lessons, please be in touch with Music Heroes directly via email: [gayle@musicheroes.co.uk](mailto:gayle@musicheroes.co.uk)

Please click on the following link for further contact details and information: <https://musicheroes.co.uk/>

## Safer Parking Reminder

The Parish Council are working closely with the school, local authority and the police to improve parking around our school and local area.

Please see the poster on the following pages promoting safer/legal parking.

Thank you for your co-operation.

## Measles Cases

Shropshire Council have asked all schools to share the following information in relation to Measles cases:

*Cases of measles are increasing in the UK, including in the West Midlands, and it's likely that there will be cases in Shropshire soon.*

*Measles is a viral illness that can be serious and sometimes fatal. Spending 15 minutes with someone with measles is enough to get the virus. Symptoms of measles include high fever, runny nose, cough, red and watery eyes, small red spots with a bluish-white centre inside the mouth. A rash can appear later, usually on the face, upper neck, hands and feet, fading after 5 to 6 days. If you've not been vaccinated against measles, you can be at risk, but it's most common in young children. Someone with measles can spread the virus up to 4 days before a rash appears, and up to 4 days after.*

*Measles can have serious and sometimes fatal consequences, so make sure you and your children are up to date with MMR vaccinations and ask your GP about catch-up jabs if needed. The MMR vaccine is highly effective at protecting against measles.*

*If you are unsure if your child is up to date with all their routine vaccinations, you can check their Red Book (personal child health record) in the first instance. If you are still not sure, or if you need to bring your child up to date with their vaccines, you should contact their GP practice to check and book an appointment.*

*If you are concerned that your child has measles, please call your GP in the first instance, to reduce the risk of passing the disease to others in the waiting room. More information on measles can be found [here](#) and information on the MMR vaccine can be found [here](#).*

## Outstanding Payments—School Meals/Childcare

As per our Finance Policy and Procedures, it is stated that if there are arrears above £25, then parents/carers will be informed in writing of the amount owed and that they will no longer be able to use the provision/service if payment has not been received to clear the outstanding debts.

It has been noted that there are a number of outstanding payments above £25 at present and it would be much appreciated if these could be cleared/reduced below £25 before the end of next week, before debt letters have to be sent.

Parents/carers are able to check any outstanding payments on School Money.

Should you need to discuss any payments, please contact the school.

Thank you for your understanding and co-operation.

## **The Trinity Curriculum**

Our Curriculum has been evaluated and updated, and has been fully published on our website.

The website page contains all our curriculum documentation, providing an overview, key content, concepts and knowledge that will be taught across all subject areas across all classes/year groups.

This may be helpful to access, particularly if you wanted to support your pupils' learning within a specific subject at home.

Some subjects are taught over a 2-year / 4-year rolling programme (due to split classes).

This academic year **2023/24 we are on Year B/Year B2.**

Please visit the website page using the following link: <https://www.trinity.shropshire.sch.uk/the-trinity-curriculum.html>

## Online gaming and keeping children safe

**Do you know your whispers  
from your skins? Your Fortnite  
from your EA Sports FC 24?**

As part of the NSPCC  
Game Safe Festival, we're  
encouraging parents,  
carers and those working  
with children and families  
to have conversations  
about online gaming.

**GamCare will be sharing expert  
advice, and you'll hear directly  
from young people.**

**Our webinar will help you:**

- understand how young people  
game online.
- learn about tools and resources  
that support safe play.
- gain the knowledge you need  
to keep children safe.

# Think before you park

Illegal and irresponsible parking can put lives in danger - remember the following:

If you choose to ignore this advice you may be prosecuted. The safety of pedestrians is far more important than finding a close spot to leave your car. Always think before you park.
